

# APPLICATION FORM

As a non-profit organisation, WORD's mission is to develop children and youth into passionate, lifelong mountain bikers, and encourage self-confidence, community involvement, and an adventurous spirit. We deliver organised mountain biking activities to youth (7-17 year olds) through after school programmes, holiday camps and events.

While the current programme fee for the after school programmes (\$210/term) is comparable to other after school activities, we realise that this fee is far out of reach for many families. The WORD Scholarship Fund powered by Flick aims to take away the financial barrier of participating in these fun after school programmes. Winners of the WORD Scholarship Fund will receive a FREE spot for the 2018-2019 Summer (Term 4 2018 and Term 1 2019)- value \$420!
